# Route selector - start here

## Union training

NorthTexas/Austin or nearest JATC: verify algebra, ID, assessment and local intake.

## Employer-linked IEC

Compare nearest IEC plus directhelper roles; confirm employer sponsorship, training enrollment and who pays tuition.

## ABC training

Ask whether an electrical cohort and employer registration are available; confirm dates and fee payer.

## Need work first

Screen licensed contractors, ask about paid helper duties and supervision; license/registration does not guarantee hiring.

## Missing algebra / transport / funds

Ask 2-3 local programs about accepted evidence, commute area and conditional alternatives before paying.
